PUBLIC NOTICE

PUBLIC PARTICIPATION ON COUNTY ANNUAL DEVELOPMENT PLAN (ADP) FOR FINANCIAL YEAR 2023/2024

Pursuant to the provisions in the Constitution of Kenya 2010, County Government Act 2012 and Public Finance Management Act 2012 requiring openness and accountability, the County Government of Narok hereby invites all stakeholders including institutions, private sector non-governmental organizations and individuals, to submit proposals on County development priorities, for consideration in the preparation of Narok County Annual Development Plan, (2022 ADP).

To facilitate timely consultation and adequate considerations, your proposals should be delivered in soft copies via the email: economicplanning@narok.go.ke so-as-to reach the County Treasury not later than **31st August 2022**. The submissions should incorporate viable options for accelerating and sustaining inclusive growth for socio-economic development. The stakeholders are advised to align their proposals with development priorities set in Kenya Vision 2030 and multi-year (*ongoing*) programmes/projects in Narok County Integrated Development Plan (CIDP 2018-2022). The content of the proposals should feature practical solutions for combating current and emerging risks posed by pandemics. This should cover the period beyond the implementation of Narok County COVID-19 Social Economic Re-Engineering Recovery Strategy. The plans are accessible at www.narok.go.ke.

Throughout this process, the County Government has taken into consideration the transition to the third generation County Integrated Development Plan (CIDP 2023-2027). Since ADP is essentially an extraction from CIDP and given that the CIDP for the reference year is still under development, the 2022 ADP has provided room for amendment once CIDP 2023-2027 is finalized.
