PUBLIC NOTICE

NAROK COUNTY INTEGRATED DEVELOPMENT PLAN (CIDP 2023-2027) VALIDATION FORUM

Pursuant to the provisions in the Constitution of Kenya 2010, County Government Act 2012 and The County Government Act 2012 and Public Finance Management Act 2012 requiring openness and accountability, the County Government of Narok hereby invites all stakeholders including institutions, private sector non-governmental organizations and individuals, to validate the County Integrated Development Plan (CIDP 2023-2027) themed “strengthening Community Driven Development” for the next five years.

The forum is the culmination of a series of public engagements that commenced in 2022 to identify development programmes/projects that will address the felt needs at the smallest units of community and achieve equitable distribution of development interventions for improved livelihoods. The intention of the validation forum therefore is to engage stakeholders in confirming that their inputs and comments have been incorporated in the final draft CIDP, that their inputs are captured in a manner that addresses their felt needs and that their recommendations are correctly translated into tangible and practical action points.

All stakeholders are therefore invited to attend public forum on **14th June 2023** at **Zebu Lodges Hotel**, Narok Town starting 10:00am. Stakeholders may also submit views and opinion in hard copies to Narok County Headquarter so-as-to reach the undersigned not later than **14th June 2023**. Soft copies should be delivered through our email: economicplanning@narok.go.ke. You are further notified of the presence of CIDP III oriented officers stationed at the **Town Hall** within the premises of the department of Lands, Physical Planning, Housing and Urban Development, from **Wednesday 7th to Friday 9th June 2023**. This arrangement will serve as a platform for information sharing, response to inquiries and to provide general guidance to empower interested stakeholders to actively participate in the validation on the material day viz. Wednesday 14th June 2023.

Kindly note that for purpose of adequate preparation for the exercise, the soft copies of the draft Narok County Integrated Development Plan (CIDP 2023-2027) can be downloaded from the county website www.narok.go.ke.
