The meeting was opened by a word of prayer from-Pst. Wilson Okoth

MKCF/MIN/01/11/02/2025/02 INRODUCTION OF MEMBERS

The Municipality Manager introduced the board members to the members of the public and later introduced the Co Physical planning and urban devt, then the Manager of Narok and the secretariat present.

The members present introduced themselves and the various groups they represent. There were representations from Neighborhood association, Nyumba kumi representatives, Kilgoris chamber of

commerce, Market representation, Kilgoris Bus Terminus, Religious leaders, Youth representatives and Business community, boda boda, e.t.c.

MKCF/MIN/01/11/02/2025/03 OVERVIEW OF THE MUNICIPALITY OF KILGORIS PLANS.

The Co-Physical planning and Urban Development welcomed the members present and requested that they give challenges, ideas and proposals for projects needed in Kilgoris Municipality. He gave them an example of

- Street lights
- Markets
- Bus Terminus
- Roads
- Shades e.t.c

MKCF/MIN/01/11/02/2025/04 PLENARY.

The Municipal Manager handed over the interactive session to the representatives by giving them an opportunity to give proposals on the projects within the Municipality. The proposals included

❖ Boda Boda Shades

The boda boda representative requested on the construction of boda boda shades especially at the hospital entrance.

Poor road infrastructure in town and lack of public toilets for the use by boda boda riders yet boda boda grow the municipality revenue collection since they pay stickers.

❖ Bus terminus

The transport representative in the meeting requested for the construction of a bus terminus in order to de-congest the town, promote businesses, create employment for women Youth and PWD'S

❖ Administration

The county enforcement at the road block be provided with spike, proper shelters, reflectors and light. Accidents at poroko area occur due to bushy roads thus the bushes around the roads need to be cleared. The mechanics and welders encroaching on road reserves by blocking other road users should be re allocated elsewhere.

❖ **Transport**

The saccos in Kilgoris are facing challenges of parking their vehicles and doing business since they don't have a bus terminus to conduct their business thus need a bus terminus since where they currently are they are leasing

❖ **People with Disability(pwd)**

- There is need to change buildings in kilgoris from old designs to new in order to consider and accommodate the pwd's
- Pdw's should be given equal opportunities to do business
- Extend lights from town to the boarder of the municipality for security reasons
- There are no proper sewage system
- Poor garbage collection
- The Pdw's requested for employment opportunities

❖ **Land issues**

- In kilgoris there is a problem with double allocation and leaders grabbing land that are public utilities
- Kilgoris municipality should investigate on issues of county houses that are being grabbed by individuals that claim they bought the houses before devolution.
- Planning of the town is important since it will curb the problem of grabbing of land and boundary issues.

❖ **Markets**

- There are insecurities in the market because of lack of street lights thus leading to insecurities caused by the street children who loiter in the market.
- The 'mama mboga' in the market they fear being chased away during re allocation to pave way for construction of the market.
- Lack of water in the market thus requested the municipality to consider in the next project.

❖ **Youth**

- Youth in Kilgoris lack employment thus requested to be considered in projects in order to have employment.
- The youth representative requested for an establishment of a library in Kilgoris so that youth can read and avoid being idle
- The municipality to put WIFI in town and make it accessible to all in order for the youth to have online jobs.

❖ **Livestock farmers.**

- lack of toilets at the sale yard thus need a public toilet constructed

- lack of water at the yard
- the yard is not fenced and animals run away and become wild thus attacking residence.
- Need shades to protect from rain and sun at the yard
- Need to review charges at the yard since it is too high

❖ **Women groups**

- Women pdw's need projects that are design friendly for them.
- Women should be included in Municipality projects
- Have a sign language interprator in meetings to translate to the deaf.
- Women working in markets are disturbed by animals,thus the Municipality should ensure restrictions of animals entering the market

MKCF/MIN/01/11/02/2025//05 AOB.

The Co Physical planning confirmed that Kilgoris town has been planned and the plan is at its final stages due to endorsement at various entities and finally it will be implemented.

The chair assured the stakeholders that the issues and challenges that were highlighted by them will be addressed by the municipality.

There being no any other business the meeting was **adjourned at 03.00** pm with a word of prayer from Pst. Evans Dicho.
