1.1. Budget Implementation

1.1.1 Overview of FY 2024/25 Budget

The Narok County approved FY 2024/25 budget is Kshs.15.68 billion. It comprised Kshs.5.16 billion (32.9 per cent) and Kshs.10.53 billion (67 per cent) allocations for development and recurrent programmes, respectively. The budget estimates represent an increase of Kshs. 697.33 million (5 per cent) from the FY 2023/24 budget comprised a development budget of Kshs.5.10 billion and a recurrent budget of Kshs.9.89 billion.

The Narok County Government budget will be financed from different sources of revenue. These include Kshs.9.53 billion (61 per cent) expected from the National Government as the equitable share of revenue raised nationally, Kshs.1.12 billion as additional allocations and Kshs.4.98 billion (32 per cent) generated as gross own source revenue. The own-source revenue includes Kshs.125.95 million (3 per cent) as Facility Improvement Fund (revenue from health facilities) and Kshs.4.85 billion (98 per cent) as ordinary own-source revenue. A breakdown of the additional allocations is shown in Table 1.

1.1.2 Revenue Performance

By end of the second half of FY 2024/25, the County had received Kshs. 8.59 billion to fund recurrent and development activities. The equitable share from the National Government was Kshs. 4.57 billion, Grants brought forward KSh 68 million while own source revenue (OSR) collection was Kshs. 3.95 billion.

The total OSR collection of Kshs.3.95 billion comprises Facilities Improvement Financing (FIF) of Kshs.28.7 million, KSh. 25.3 million from Liquor and Kshs.2.97 million as ordinary OSR. Table 1 summarises the total revenue available to the county government during the first half of FY 2024/25 performance.

The County has existing legislation governing the operation of the FIF, but it is in the process of being amended to align with the Facilities Improvement Financing Act of 2023.

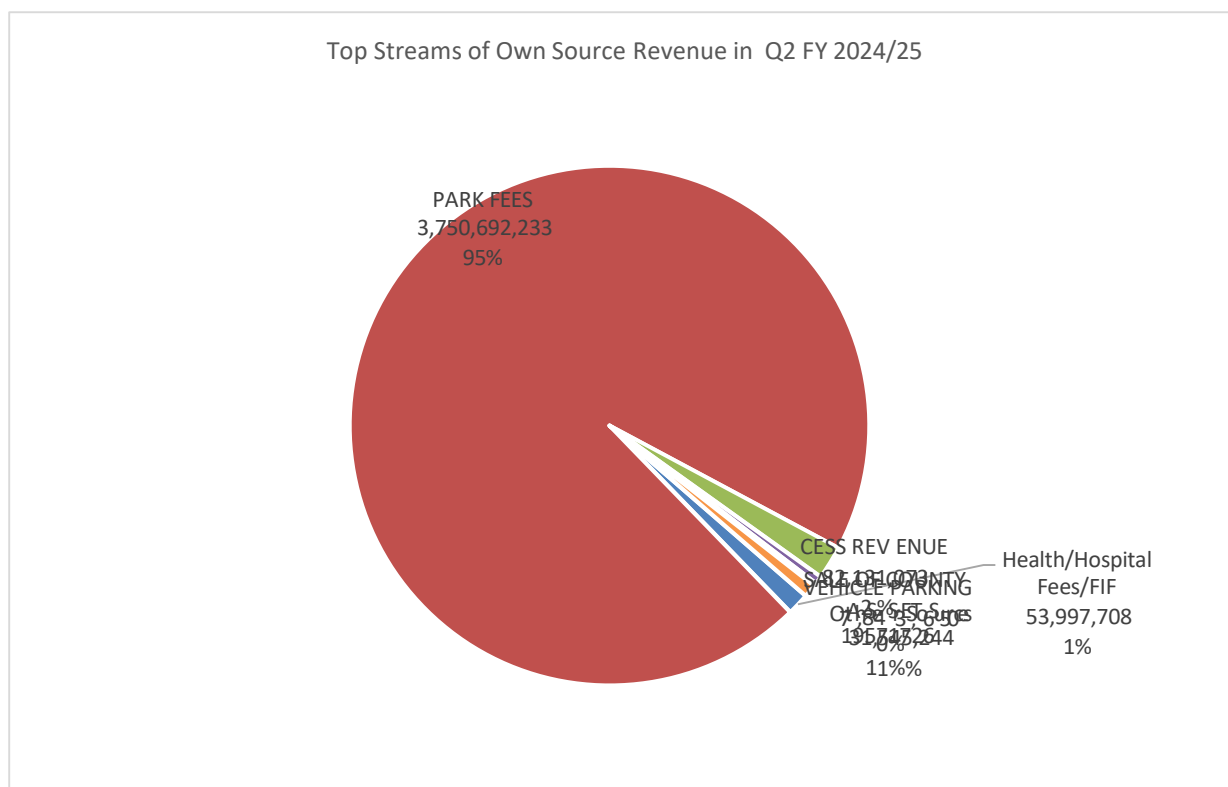

Figure 1 shows the trend in own-source revenue collection from the Second Quarter of FY 2018/19 to the Second Quarter of FY 2024/25.

During the second quarter of FY 2024/25, the County Own Source Revenue rose to reach Kshs.3.95 billion from KSh 2.98 billion in quarter 1. The OSR performance can be attributed to the following revenue mobilization strategies, among others: development of a Revenue Enhancement Action Plan (REAP) covering the period between 2022 – 2027 as recommended in the Tax Administration Diagnostic Assessment Tool (TADAT) performance assessment report; Automation of other revenue outside Maasai Mara National Game Reserve; Staff re- alignment & Capacity building; Employment of new revenue collection staff as well as full implementation of County Finance policies and regulations spelt out in the Narok County Government Finance Act.

The revenue streams which contributed the highest OSR receipts are shown in Figure 2.

Figure 2: Top Streams of Own Source Revenue in the Second Quarter FY 2024/25

The highest revenue stream, Kshs.3.75 billion, was from Masai Mara Game Park Fees after the Narok County Assembly increased fees from 80 Dollars to 200 Dollars through the Finance Act, contributing to 95 per cent of the total OSR receipts during the reporting period.

1.1.3 County Expenditure Review

The County spent Kshs.8.4 billion on development and recurrent programmes in the reporting period. Expenditure on development programmes represented an absorption rate of 30 per cent, while recurrent expenditure represented 65 per cent of the annual recurrent expenditure budget.
